RISTORANTE & BAR

Accessibility Statement

Last updated: October 14, 2026

Centro Ristorante & Bar is committed to welcoming guests and making information about our restaurant accessible to as many people as possible. We recognize that visitors may have different accessibility needs, and we welcome feedback on how we can improve the experience of using our website.

Our approach

We aim to present website content in a clear, understandable, and usable way. As our website evolves, we intend to consider accessibility when reviewing content, navigation, and functionality.

Website accessibility

Our goal is to support visitors who use a range of devices, browsers, and assistive technologies. Accessibility can vary depending on the technology being used and the features provided by third-party services. This statement does not represent a claim that the website has been independently audited or that it fully conforms to a particular accessibility standard.

Third-party services

Certain features, such as maps, reservation tools, or embedded content, may be supplied by third parties. Their accessibility features and limitations may be outside our direct control. If you encounter a barrier when using one of these services through our website, please contact us so we can try to assist.

Request assistance or provide feedback

If you have difficulty accessing information on our website, need information in an alternative format, or wish to report an accessibility concern, please contact us. When possible, include the page or feature involved and the type of assistance you need. We will review your request and respond as reasonably possible.
